

Somebody that I used to Know

Gotye

Bass only 2 bars - the percussion ukes & riff

5 riff 1 (Baa Baa BlackSheep bit)

Now and then I think of when we were together
 Like when you said you felt so happy you could die

Dm (hit hit)

Told myself that you were right for me

Dm (hit hit)

But felt so lonely in your company

Dm (hit hit)

Dm (hit hit)

Dm (hit hit)

But that was love and it's an ache I still remember

riff 2

Gotye

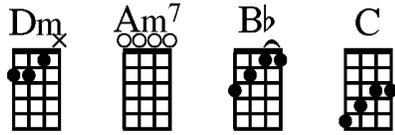

You can get addicted to a certain kind of sadness

Like resignation to the end, always the end

So when we found that we could not make sense

Well you said that we would still be friends

But I'll admit that I was glad it was over -Stop (bass only)

Chorus -

But you didn't have to cut me off
 Make out like it never happened and that we were nothing
 And I don't even need your love
 But you treat me like a stranger and that feels so rough
 No you didn't have to stoop so low
 Have your friends collect your records and then change your number
 I guess that I don't need that though
 Now you're just somebody that I used to know

Riff 1

Now you're just somebody that I used to know

Riff 1

Now you're just somebody that I used to know

(bass & riff 2 only)

Now and then I think of all the times you screwed me over *Dm -Am?*
 But had me believing it was always something that I'd done *Dm -Am?*
 C

But I don't wanna live that way. Reading into every word you say
 You said that you could let it go *Stop*

And I wouldn't catch you hung up on somebody that you used to know

Chorus - 2

F But you didn't have to cut me off
 M Make out like it never happened and that we were nothing
 F And I don't even need your love
 M But you treat me like a stranger and that feels so rough
 F No you didn't have to stoop so low
 M Have your friends collect your records & then change your number
 F I guess that I don't need that though

Now you're just somebody that I used to know
