One day while I was eating beans...*at Smokey Joe's café*

Just sittin' diggin' om the scene.....*at Smokey Joe's café*

A chick came walkin' through the door, that I had never seen before

At least I'd never seen her down...*at Smokey Joe's café*

I, started shaking when she sat right down next to me - *riff*

Her knees were almost touching mine....*at Smokey Joe's café*

A chill was running down my spine.....*at Smokey Joe's café*

I could smell her sweet perfume, she smiled at me my heart went boom

Then everybody in the room.....*at Smokey Joe's café*

They said "hey man be careful, that chick belongs to Smokey Joe". - *riff*

From behind the counter, I saw a man.

Chef hat on his head and a knife in he's hand.

He grabbed me by the collar and, began to shout

"you better eat up all your beans boy, and clear right on out".

I will never eat again.....*at Smokey Joe's café*

And so we'll never meet again...*at Smokey Joe's café*

I'd rather eat my chilly beans at Jim's or Jack's or John's or Gene's

Than take my chances eating down...*at Smokey Joe's café*

Why, risk my life when, that Smokey Joe's a crazy fool?- *riff*

D minor Pentatonic scale
