

You don't know my mind leadbelly

C
Walking down the levee with my head hangin' low
Looking for my mama but she ain't here no more

F7 C
Baby you don't know, you don't know my mind
G7 C
When you see me laughing, laughing just to keep from crying

C
She won't cook my dinner, won't wash my clothes
Won't do nothing but walk the road

C
My breakfast on the table and my coffee's getting cold
And mama's in the kitchen getting sweet papa *told*

C
Sometimes I think my baby's too good to die
Sometimes I think she should be buried alive

C
I wish I had a nickel, I wish I had a dime
I wish I hadn't give myself a bad woman's time

C
Look at you mama, see what you *gone 'n'* done
You got my money now you broke and run

C
You made me get mad and you made me get sad
The going gets tougher than you aint never had
