Walk the line

E 4ᵀᴴ fret

                      V   I
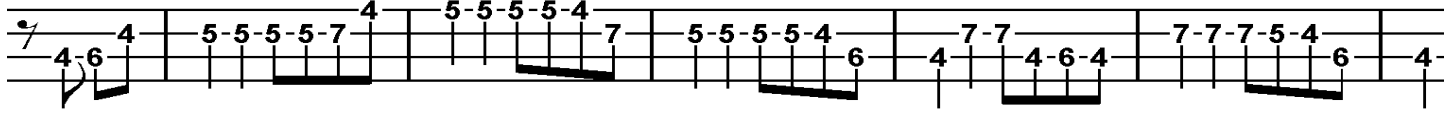

```
        V
I keep a close watch on this heart of mine
        V                       I
I keep my eyes wide open all the time
        IV                        I
I keep the ends out for the tie that binds
        V                   I
Because you're mine, I walk the line
```

A   E7

```
A                 E7              A
I find it very, very easy to be true
                  E7                      A
I find myself alone when each day's through
            D                 A
Yes, I'll admit that I'm a fool for you
                  E7                A
Because you're mine, I walk the line
```

D 2nd fret

```
                    V                        I
As sure as night is dark and day is light
            V                     I
I keep you on my mind both day and night
            IV                        I
And happiness I've known proves that it's right
            V                 I
Because you're mine, I walk the line
```

```
A                     E7                    A
You've got a way to keep me on your side
                    E7                      A
You give me cause for love that I can't hide
            D                         A
For you I know I'd even try to turn the tide
                  E7                A             E 4th fret
Because you're mine, I walk the line      repeat 1st verse
