

La La Blues Pokey LaFarge

intro

I know that you've heard, this old song sung before,
you ain't heard it while you was walking out the door

It's goodbye baby, honey your time has come,
Turned the tables and now you're the one on the bum

chorus

It's La La La, I'm singing La La La
I'm so happy I'm singing La La La solo

If I was a catfish in a river down in St. Louie,
I'd be the biggest fish, anyone had ever seen

I'd never get caught, cos I'd never bite the hook and line,
all the women try and catch me, as I go swimming by

chorus solo

I'm wet and I'm wild, honey, I'm short and thin
so I can squeeze outta any position, you put me in

I've got this old thing, called the laughing hearts disease,
I'm gonna laugh my way, to any place I please

chorus intro solo
