

# Tulsa Time Eric Clapton

G

I left Oklahoma driving in a Pontiac

D7

Just about to lose my mind. I was going to Arizona maybe on to California

G

Were the people all lose their mind

My moma said I was crazy My baby called me lazy

D7

I was gonna show'em all this time, Cause you know I ain't no fooling

G

I don't need no more school'in, I was born to just walk the line

Chorus:

G

D7

Livin on Tulsa time, livin on Tulsa time I'll set my watch back to it

G

Well you know I've been through it Livin on Tulsa time

G

Well there I was in Hollywood Wishing I was doing good

D7

Talking on telephone line, But they don't need me in the movies

G

And nobody sings my songs My moma says my baby's doin' fine

G

So then I started waitin' an' then I got to thinking

D7

Man I really had a bash this time, I had no business leaving

G

And nobody would be grieving If I went on back to Tulsa time

Chorus:

G

D7

Livin on Tulsa time, livin on Tulsa time I'll set my watch back to it

G

Well you know I've been through it Livin on Tulsa time
