Your beauty is beyond compare, With flaming locks of auburn hair
With ivory skin and eyes of emerald green

Ur smile is like a breath of spring, Ur voice is soft like summer rain
And I cannot compete with you, Jolene

He talks about you in his sleep, There's nothing I can do to keep
From crying when he calls your name, Jolene

And I can easily understand, How you could easily take my man
But you don't know what he means to me, Jolene

chorus

You could have your choice of men, But I could never love again
He's the only one for me, Jolene

I had to have this talk with you, My happiness depends on you
And whatever you decide to do, Jolene
